Rate Changes to Maryland Commercial & Industrial Customer Bills

New rates to take effect June 1, 2009

Effective June 1, 2009, Delmarva Power's Standard Offer Service (SOS) supply rates have changed based on a schedule approved by the Maryland Public Service Commission (MDPSC). Delmarva Power used a competitive bidding process under the regulatory oversight of the MDPSC to purchase power on behalf of its Maryland customers and the SOS supply prices have been reset based on the lowest bids. Total bill impact will vary by rate class and usage.
