

Decorative Lighting

Granville

Classic Style, Advanced Optics

The Granville combines the visual appeal of early 20th century acorn lights with advanced optics of the 21st century for superior lighting performance and energy efficiency. Precise light control through a finely molded glass prism casts the desired illumination pattern while limiting glare and creating a subtle, eye-pleasing sparkle.

Applications Avenues, walkways, plazas

Lamp Source High pressure sodium (HPS)

Wattages 50, 70, 100, 150

Pole Style Standard 12-foot aluminum Salem;
optional 10- or 12-foot fiberglass or
aluminum Wadsworth
