

A PHI Company

Let Delmarva Power help you budget your payments

By signing up for Delmarva Power's Budget Billing program, you can better plan and budget your monthly energy costs.

The Budget Billing program takes your annual electric and/or gas costs, divides them by 12 months to get a monthly average. Your monthly bill is then based on that 12-month average. Budget billing makes your monthly payments more predictable so you can more easily budget for your energy costs.

Signing up is quick and easy - just visit www.delmarva.com or call Customer Care at (800) 375-7117, Monday–Friday, 7AM–7PM.

If you'd like, you can also sign up for Direct Debit and the amount of your monthly bill will be automatically deducted from your checking account - a hassle-free option for paying your utility bill.

Begin budgeting your energy costs by enrolling in both programs TODAY!
