Make Your Property More Efficient at No Additional Cost

Enjoy savings, control, and convenience when you enroll in Delmarva Power's Smart Home Pilot. You'll get a kit that includes energy-saving items like **smart plugs, entry sensors, and more**—a \$500 value—at no additional cost! You can:

- **Monitor and control** lighting, home appliances, and other devices remotely
- **Receive email notifications** about your property's energy use
- **Save energy** by using automated smart home rules

Enrollment in this pilot is determined by a screening process and available on a first-come, first-served basis.

To learn more and see if you're eligible, visit delmarva.com/smarthome or call **1-855-530-5810**.

Offer valid for Delmarva Power residential customers in Maryland only.

EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money. To learn more about EmPOWER and how you can participate, go to delmarva.com/saveenergy.
