

An aerial photograph of a light blue car driving on a two-lane road. The road is flanked by dense green trees and a sidewalk. The overall scene is captured from a high angle, looking down at the car and the surrounding landscape.

# LIFE, FULLY CHARGED.

Discover more than just savings with EVsmart.

An Exelon Company

# Tons of EV Info, One Smart Program

There's never been a better time to make the switch to an electric vehicle! Delmarva Power's EVsmart Program offers an **online toolkit** and **resources** that show you all the savings and benefits of going electric.

- Use our **EV savings calculators** to see how much you can save on your annual costs and daily commute.
- Read about the **benefits of EVs** and how you can purchase one for yourself.
- Search our database for nearby **charging stations**.
- Apply for available **incentives** and **promotions**, including a **\$300 rebate** for upgrading to a Level 2 smart EV charger.

Get all the details on EVs and more at [delmarva.com/electricvehicles](https://delmarva.com/electricvehicles).
