# Take Control of Your Costs and Stay Comfortable

The power to save energy and money is at your fingertips! When you go online to update your **Home Profile**, you'll be able to see specific details about how your home uses energy. Then you can make changes to start saving inside—no matter what the weather does outside.

## Savings in Just Three Steps

1. Log in at [delmarva.com/MyAccount](https://delmarva.com/MyAccount).
2. Click the **My Profile tab** and choose **My Home Profile**.
3. Answer 5 quick questions.

Want to get alerts when your usage is higher than normal or reminders to pay your bill? That's easy, too! Click the **My Alerts & Notifications** tab and check out all of your options.

Get started at [delmarva.com/MyAccount](https://delmarva.com/MyAccount).

EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money. To learn more about EmPOWER and how you can participate, go to [delmarva.com/SaveEnergy](https://delmarva.com/SaveEnergy).
