

A young girl with dark hair is looking under a bed. She is holding a flashlight that is turned on, illuminating the space below. The bed has a white, patterned sheet. The background is a light-colored wall with a subtle floral pattern.

# FIND EVERYDAY SAVINGS WITH A QUICK HOME ENERGY CHECK-UP

An Exelon Company

# Get a Quick Home Energy Check-up

While you are at home, you may be thinking more about your energy costs. Our **no-cost Quick Home Energy Check-up Program** can teach you specific ways to save.

## Here Is How It Works

During your appointment, you will speak with an Energy Analyst who will:

- **Evaluate the efficiency** of your heating and cooling systems, windows, doors, and more
- **Provide you with a report** listing energy efficiency recommendations
- **Install energy-saving products at no cost**, like ENERGY STAR® certified LED bulbs and more

Virtual appointments are also available, so you can choose what feels right for you.

Learn more at [delmarva.com/QuickHome](https://delmarva.com/QuickHome) or call **1-866-353-5799**.

Limit one virtual or in-person check-up per Delmarva Power account number. Offer valid for Delmarva Power residential customers in Maryland only. EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money. To learn more about EmPOWER and how you can participate, go to [delmarva.com/SaveEnergy](https://delmarva.com/SaveEnergy).
