

# NATURAL GAS SUPPLY RATES CHANGE FOR DELMARVA POWER DELAWARE CUSTOMERS

The Delaware Public Service Commission approved an increase in gas supply rates for Delmarva Power Delaware customers. These changes will take effect on November 1, 2019.

- The Gas Cost Rate (GCR) is increasing.
- The rate increase is subject to refund to customers with interest, if the Commission's final approval of the gas supply rates is less than the rates implemented.
- The GCR is adjusted annually based on the forecasted wholesale prices of natural gas for the coming year.

Please review the chart below for new rates. Effects of these changes will vary with your usage.
