On February 21, 2020, Delmarva Power & Light Company (“Delmarva”) filed with the Commission an application (“Application”) seeking approval of: (1) an increase in its natural gas base rates; and (2) limited changes to its natural gas service tariff as described in the Application. In its Application, Delmarva seeks an increase in its natural gas base rates of \$14,635,650, or an increase of 9.5% over existing rates.

On July 16, 2020, a Commission hearing examiner conducted a public comment session by teleconference and live stream for the purpose of taking public comment regarding the Application.

On November 17, 2020, the parties to the proceeding reached a settlement in principle that, among other things, would increase Delmarva's natural gas base rates by \$6.7 million ("Proposed Settlement").

The parties intend to present the Proposed Settlement to the Commission at the January 6, 2021 hearing. The Commission will make its decision on this matter on the basis of the record evidence taken at that hearing. The Commission may approve or reject, in whole or in part, the Proposed Settlement, and may approve a different method for allocating any increase that it may grant.
