Get an Energy Check-up for Your Home

While you're at home, you may be thinking more about your energy costs. Our **no-cost Home Energy Check-up Program** can teach you specific ways to save.

Here's How It Works

During your appointment, you'll speak with an Energy Analyst, who will:

- **Evaluate the efficiency** of your heating and cooling systems, windows, doors, and more
- **Provide you with a report** listing energy efficiency recommendations
- **Install energy-saving products at no cost**, like ENERGY STAR® certified LED bulbs and more

Virtual appointments are also available, so you can choose what feels right for you.

Learn more at delmarva.com/QuickHome or call **1-866-353-5799**.

Limit one virtual or in-person check-up per Delmarva Power account number. Offer valid for Delmarva Power residential customers in Maryland only. EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money. To learn more about EmPOWER and how you can participate, go to delmarva.com/SaveEnergy.
