

...but some won't make it without your help.

Many families would willingly pay for the energy they use, but unfortunately are unable to do so. Your contribution to the Good Neighbor Energy Fund will help them—the families in need.

Any contribution you make is important and Delmarva Power will match customer contributions with \$1.00 for every \$3.00 that is collected, up to \$70,000.

Thank you for supporting the Good Neighbor Energy Fund.
