PROGRAM SELECTION (Choose the offering and complete the information below)

Smart Level 2 EVSE \$300 Rebate Offering:

Open to Delmarva Power Maryland residential customers* who are installing a Delmarva Power recommended smart Level 2 EVSE. I understand that not all EV chargers are eligible for this rebate and that a list of qualified EV chargers may be found at delmarva.com/ElectricVehicles. My rebate will arrive by mail 4-6 weeks after my application has been approved and my Level 2 smart charger is connected to the network. I am submitting a photo of the installed unit.

EV Charger Manufacturer:	EV Charger Model:
EV Charger Serial #:	EV Charger Installation Date:
EV Charger Cost:	Where did you purchase the EV charger?
Installation Contractor:	Installation Cost:

The following materials must be included to receive your rebate: completed rebate form, copy of vehicle registration, dated copy of sales receipt or invoice with EV charger model number, dated copy of installation invoice, photo of installed charger, and copy of recent Delmarva Power bill.
